

## Things that might be different in the 2020 season 😊

### Pre-arrival at venue

- Complete your pre-training/game online health check via your team Covid Registration Form, this must be done every time you attend a session.
- Remind yourself of the [RTP's](#)
- Captains, Check your players have completed the Covid Registration Form in advance of attendance
- Have sanitizing wipes/Hand sanitizer and refuse bags
- Ensure balls are marked with team name. You can find information on [Match Balls here](#)
- Facemasks are allowed.

### At the venue

- Home team should mark out the pitch
- Umpires should be made aware of Covid officers for each team.
- Captain should get a contact number from the umpire to send the Line-up sheet/match report
- Complete Line Up sheet using the online editable PDF [here](#) (download the doc by clicking the 3 dots which should open as an editable PDF) or via your usual paper sheet:
  - If you choose to use the PDF then you should complete and send a screenshot to the umpire. If you make subs these should be marked on the same sheet and a new screenshot sent when you make the change.
  - If you use paper you should complete and send a photo to the umpire. If you make subs these should be marked on the same sheet and a new photo sent when you make the change.
- Umpires should be paid via [Revolut](#) please make arrangements to do so at the end of the game.
- Sanitize all balls and separate the team warm up balls and the match balls
- Consider having the match balls in a bucket behind home base in a location the umpire is happy with.
- Nominate 2 score keepers, they should be spread out in the batting order and have their own pen

### Covid Officers to lead on implementing RTP's and remind players of the following:

- Remind players about sharing bats and sanitizing bats. On deck batter should remove the bat by the barrel
- 2 meters  2 meters
- Remind players not to lick balls or fingers
- All issues/queries should go through Covid Officers

### Post game/Training

- Away team should leave as quickly as possible. The home team will wait until they have left and allow some space.
- Think about any issues/difficulties that came up and address with your team for next time
- Please pass on any learning to SL 😊
